Located on the corner of Wildwood Drive and American Avenue, this beautiful building has added much needed Class "A" office space to the Jefferson City area. The 2-story, all brick building boasts ample parking, lighted exterior signage, with architectural standing seam roof, great visibility and a wooded setting. The office is located one block from the Wildwood Crossing Shopping Center and Lowe Home Improvement Center.

Design-Build projects like this allow the owners to create their dreams in "one stop shop" for design and construction services.
