This project consists of an 83,100 square foot distribution center and warehouse. The purpose of this building is intermodal movement of cargo from rail to truck and truck to rail. The facility is serviced by the City of Columbia's COLT and Norfolk & Southern railroads. The facility has a 30 ton overhead traveling crane and storage area especially designed to handle steel coils. A large laydown and storage yard on 15 acres surrounds the facility. Show Me Transportation is currently leasing the facility.
