

Project Profile

Boone County Courthouse

Design-Build
Development
General
Contracting

Project Specifications:

- ◆ 76,000 Square Feet
- ◆ Located in Columbia, Missouri
- ◆ Courthouse Renovation, Restoration & Addition
- ◆ Project Completed in 1993

This beautiful building was outgrowing its original structure and needed additional space that would architectural blend with the existing historic building. The existing courthouse (30,000 sq. ft.) was also in need of complete historic restoration and renovation for modern court services.

Restored main Court Room in third floor of original Courthouse.
